

The Department of Social Services provides many services for Missouri children through the MO HealthNet for Kids (MHK) Program, the state’s healthcare program for children. Two divisions within the department, the Family Support Division and the MO HealthNet Division coordinate to provide these services

**Do Your Children Need Health Coverage?**

Through the MO HealthNet for Kids program, children receive full, comprehensive coverage including primary, acute and preventative care, hospital care, dental and vision care as well as prescription coverage.

A MO HealthNet for Kids website [www.dss.mo.gov/mhk](http://www.dss.mo.gov/mhk) has been created to help you find information on how to apply, who is eligible, what benefits are offered and how to find a health care provider in your area. [Check out the online application at http://dss.mo.gov/mhk/accept.htm](http://dss.mo.gov/mhk/accept.htm)

Children may be eligible for MO HealthNet for Kids if:

- they are under age 19;
- they have been uninsured for 6 months or more (some exceptions apply); and
- their family's income is below the following amounts:

	Maximum MONTHLY Family Income			
FAMILY SIZE (Family size includes parents)	2	3	4	5
INCOME (Subject to change annually)	\$3,643	\$4,578	\$5,513	\$6,448

Some families may be required to pay monthly premiums.

& other Missouri Health Insurance Programs
